How do I involve PoP in my birthday celebration?

A birthday party is a great way to celebrate a new year with all of your friends and family and also a great way to spread the word about PoP! In the past hosts have asked guests to make a donation of \$5-10 when they come to their party and/or make a donation instead of giving presents!

Instructions

1. Contact Jocelyn and tell her you are interested in sharing your birthday with PoP! Remember you can contact her anytime if you have questions.
2. Spread the word to your friends in your invitations, on twitter and facebook to tell them you're incorporating PoP into your birthday celebration! Let your guests know upfront if you will be collecting a small donation at the door and/or accepting donations instead of birthday presents.
3. Plan what you want to do at the event. You can make a brief speech to introduce PoP to your guests and thank them for their love and support.
4. Have fun at your birthday party and be proud of the good you'll be doing!
5. Share your efforts with the PoP family and community of supporters, send us pictures, videos, etc via twitter, facebook and/or email.
6. Contact Jocelyn to discuss the delivery of raised funds.
